“ *A cute little spunky girl we watched grow up into a beautiful woman. Always with dad and mom at all the car shows and willing to help. Met a man she truly adored and started her family. A ray of sunshine to everyone she met. You've touched many hearts. May you rest in peace dear one.*

“ *You were a very special person Miss Amanda. We met 8 years ago when our 2 daughters attended daycare together and grew up and became little ladies. They graduated Kindergarten together and have been the best of friends for many years. Brianna will miss you she said when she was with you and the girls it was special and you were sooo very cool. She said this weekend in your honor she is going to try something new like maybe carrots or corn. You were a light in so many peoples lives. You were a friend to many as well very. We will miss you so much. Rest in Peace my friend until we meet again.*

“ On October 6, 2013 an angel went home to God. Amanda was a kind and loving person and she will be greatly missed at Charter One. Abigail and Molly lost a wonder mother & Chris a loving wife and we here at the bank lost a GOOD CITIZEN.

Amanda I will miss the wonderful stories about the girls and all the volunteering we did. Thank you for being a good person.

Chris, you and the girls are in my prayers in this difficult time. May God give you the strength to stay strong and care for those wonderful girls.

I am so very sorry for your loss.

“ My condolences to Amanda's entire family in your time of grief. I only knew Amanda for a short time but she was held dear by so many. I will miss her smiling face. She was a beautiful person. "All of mankind is of one volume written by one Author. When one person dies, that page is not torn out of the book but translated into a better language. And so we all will one day be translated". John Donne
When my dad died these words comforted me - we remain connected to our loved ones who die and will one day be reunited. My thoughts and prayers are with Amanda and her family.
