“ My memories of Andrea were childhood memories, when she came to NY, she stayed with my family a short time. We had a great time lots of laughter! We reconnected when my mother passed away via phone. I remember the last text we shared was in September of this year, there was a hurricane coming to Florida and she was checking up on my sister and me and making sure the family were OK. She was very thoughtful. May she rest in eternal peace. God Bless

“ Andrea (my mother in law) was a wonderful person, she accepted me as part of her family from the moment I met her. She loved her grandson Nolan so much and moved to Michigan to be a part of his life. They were buddies, they loved their time together and she instilled in him a love for and faith in God. Not a day will go by that she will not be missed.
