

## Angela Grace Christy

October 3, 2004 - December 30, 2023

Christy, Angela Grace. December 30, 2023. Age 19. Beloved and cherished daughter of David and Christina. Survived by many loving aunts, uncles, cousins and friends. Angela graduated from Cousino High School in 2022 with honors and went on to Michigan State to pursue a degree in Political Science and Pre Law where she was on the Deans list all 3 semesters she attended. She was passionate about equal rights for all and was driven to help making the world a better place. She was an advocate for women's rights and equal pay. Angela loved spending time with her friends, reading books, catching up on her favorite Law and Order shows, being active in sports by either playing soccer or softball and of course keeping up with her favorite professional teams as well. She absolutely loved her dog Harley and always looked forward to coming home and spending time with him. Angela is loved and will be missed by all. “ Angela and I met as suitemates last year. I often think how cool it is that we both went blind and ended up being really good friends, in fact she was my first college friend. I could list so many memories. I loved being able to go to her room, or her to mine, and just talk about anything or discuss our daily debriefs. I'm so grateful to have known a soul as kind, funny, and passionate as hers. <3 Sending so much love to her parents and family.

“ *My family and I have a wonderful memory of Angela when she and my daughter worked together on a science project in middle school and earned 2nd place. I shared this memory because it is one of many examples that show how dedicated and driven was Angela when it came to academics. She had a beautiful smile and calm presence about her and will forever hold a place in our hearts. We are keeping the family in our thoughts and prayers.*

“ I was never close with Angela, yet I have so so many classes with her at Cousino. She was such a happy soul and could make anyone smile with her contagious smile. When I heard the news being so unexpected, it broke me even though we weren't close. May she rest with the angels🕊️

“ Dear Christy family. I never grew up with Angela personally, but I did grow with her later in life with softball for a couple years. I used to see her at her job and we would catch up on how life had been and how she was so proud of her accomplishments. Exceeding in college and enjoying her sports with the same passion I have. I'm so very sorry to hear the way too soon passing of such a beautiful soul. Her laugh was the most relaxing and calming thing in the game when things got tough and stressful. I will always remember her smile and bright light. May she rest with the angels ☐💔

“ Dave, I will be out of town for the service but wanted you to know my prayers are with you, your wife and extended family. I am sure there are endless questions without answers right now but I do know this, God is good all the time. We don't always know his plan for our lives but if we trust in him and let Jesus take the wheel, we end up in a better place than we would have gone to on our own. Try to find peace in the countless memories and when you don't know what else to do....talk to your daughter through prayer. She hears you and if you look around for the good in others, there she will be too! I am sorry I can't be in town but know you are heavy in my thoughts and prayers, brother.

“ Dear Dave & Christina we remember Angela playing on your front yard as a child. Also playing in your back yard with her dog. As time went by we saw a beautiful young lady who always waved & said hello to us. We knew she graduated from high school & went to Michigan State because you had your Michigan State lawn flag. We know how proud you were of her. She accomplished so much in a short time. We pray that the Lord is with your family & brings you peace knowing Angela is an angel in heaven. God bless you. 🙏🙏🙏
