“ *my sister, Christine, and myself took golf lessons from Mr. Lopez. It was for the city of Sterling Heights and we had a tournament there after the lessons. I was fortunate enough to win it and then a few years later I was working for him in the pro shop that man had more energy than any five guys I've known, and he could sell ice cubes to an Eskimo rest well, Mr. Lopez And because of him I ended up going to school on a golf scholarship and turned professional in 1975. Yes, Al started me off and I just want to say thank you*

“ *Sorry to hear of Al's passing. Al taught me how to golf when I took lessons at Sunnybrook. Lots of laughs and he taught me well that I enjoy the game. Condolences to the Lopez family*

“ Uncle Al was one-of-a-kind. His smile lit up a countless amount of hearts and his charm was beyond measure. Some of my fondest memories was of Uncle Al dominating behind our family ping-pong table, sunny days visiting on the golf course, and strumming Willie Nelson songs side-by-side at his home. He was a generous man always leaving people with more than what they came with. He will always be remembered and eternally loved by his family and friends. May God rest your precious spirit, or at least while you are not taking everyone's cash on the back 9 in heaven.

“ When I heard the news, I hit the floor!! Al was such a big part of my family and the Sunnybrook Family!! His tireless work and compassion for golf and the business will always be remembered. Every time I walked into the pro shop to talk to him, he would give me fruit!!! LOL I will always love your family and Al!! All of our prayers and God's Speed to Him. I will be out of town spending some time with my mother (93) in Nevada. I am saddened we will not be able to make the service. But know that our hearts and prayers are with your family and your DAD!!!

“ I have many memories of uncle Al as a little kid, I remember going to his house just about every weekend and he'd always have his golf stuff set up downstairs and I used to take a putter and hit golf balls into this little machine and it would throw the balls back at me, but my most memorable ones were when we'd go to Kathy and Brad's house and spend Christmas Eve with Kathy, Brad, Annette, uncle Al, Jan, Ann, Marie Chelsea, Brandon, and we play a mean set of cards, and that was always a lot of fun. And he would love when my boys would get on the piano or get up and sing a song, and he was always handing out dollar bills to them , he will be greatly missed and I'm sure he's walking the streets of Paradise with his beautiful wife, Annette. Rest in peace, uncle Al we love you always and forever Jodi, Joseph, Jacob, Daniel, Alaina💕💕.

“ I remember playing ping pong as a teenager one time in our basement at a family party with Al. He had some serious game. I also remember him always lighting up when you talked golf. He loved that game. Grace and peace to the family in this time of loss. - Bill Lackowski

“ *Mr. Lopez was a wonderful man. He was passionate about golf and taking care of his family. His daughter, Kathryn, and I grew up together and have been friends to this day. He and his beautiful wife would always greet me at the door when I came over to their home. We can't physically feel the mix of emotions your family is going through, but my husband and I would like to offer our deepest Condolences. Take peace in knowing your parents have been brought back together and are now in the good Lord's arms. Rest assured your dad is happy and hopes you celebrate all the wonderful memories you were able to share with him during his many years on this earth. God's blessings, prayers, and comfort to all of you. Michelle & Randy Rosebush*
