“*"God looked around his garden and he found an empty place. He then looked down upon this earth and saw your tired face. He put his arms around you and lifted you to rest. Gods' garden must be beautiful, he always takes the best. He knew that you were suffering, he knew that you were in pain. He knew that you would never get well on earth again. He saw that the road was getting rough and the hills are hard to climb so, he closed your weary eyelids and whispered "Peace be thine". It broke our hearts to lose you but you didn't go alone for part of us went with you the day God called you home. Ova and I will miss you, you always treated us as part of your family. May you now rest in God's arms."*
