“ *Tony defied all the odds! That has always been the most remarkable thing about him. He was always a fighter, never giving up whatever life through in his path. I loved that most of all about him. You will be missed.* ”

“ So sorry to hear of Tony's passing but glad there is no more sorrow or pain. My heart and prayers go out to his children and all of his loved ones. Some of his stories were crazy to the point where i would say..no way Tony! But he didn't fool me..i could see and Sense his big soft heart. I met Tony 14 years ago when his wife was gravely ill and I took his place at the law office till he came back. Sadly the love of his life passed and he no longer wanted his job there. Im sure you were greeted with open arms by Doreen. Until we see each other again..you are loved by us down here. If I'm not able to make it to Sterling Heights..know you are forever in my heart.Love to you my dear friend and brother in Christ. Kathy
