“ Uncle Anthony was one of a kind. He had a way about him where he always made sure to check on everyone. We had a relationship where we were always joking with each other. I loved his sarcasm and sense of humor. He brought a sense of joy to every room he walked into.

I will miss our group chat and all of the funny voice notes he would send me and Angelo. I will miss all of the random TikToks he would send us, especially during the winter when concrete season was past. I will forever cherish all of the photos and videos we have of him.

It brings me peace to know that he is no longer suffering. I admire that every time you'd ask him how he was doing, even if he was in pain, he would say "I feel great." He never wanted the people who loved him to worry. He was just so positive.

I am so grateful to be close with his beautiful family. Anthony, Giulio, and Maria will always be brothers and a sister to us. They each carry a piece of his humor, his jokes, and his way about them.

Praying for his beautiful family and all of the people that loved him so dearly. He will be missed forever and never forgotten.

“ *My beautiful brother, who always treated Vince and I like brother and sister not in-laws. You loved our children as if they were your own. You will be missed more than words can say and forever held in our hearts.*

You brought so much life, laughter and love to every family gathering. We will cherish all the memories we shared with you and never forget the joy you brought into our lives.

Rest peacefully. We love you! Vince and Maria

“ *My dad was the best dad I could ever ask for. He was filled with laughter, confidence, and the love of Jesus Christ in his heart. He always guided me through life and helped shape me into the person I am today.*

My dad was a fighter who never backed down, no matter what life threw at him. He was strong, courageous, and always put his family first. He taught me to be strong, to trust in God, and to never give up.

I have the most amazing memories with my dad that I will cherish forever. I shared a special bond with him that I had with no one else. I will always remember our laughter, our conversations, and all of the unforgettable moments we shared together.

Thank you, Dad, for loving me unconditionally, supporting me, and always believing in me. You were my protector, my role model, and one of my greatest blessings. Life will never be the same without you, but I know your love will stay with me forever.

My dad will always hold a special place in my heart. It's not goodbye, Daddy it's see you later. ☐🕊

“ Uncle Anthony will always be remembered for the laughter, love, & joy he brought to everyone around him. He had a way of making people laugh no matter what, and even during his hardest times, he never stopped bringing smiles to the people he loved. Along with being the funniest person in the room, he was also so kind, caring, & always there for his family. Uncle Anthony loved deeply & made a lasting impact on so many lives, especially his nephew(my fiancé), who he helped shape into the man he is today. His love, humor, strength, and personality will never be forgotten. We find comfort knowing he’s at peace with god & no longer suffering.

“ Anthony is the baby cousin on the Caporuscio side,his mother. I am the second oldest Mariapia, I was fourteen when he was born. We were blessed with this beautiful baby our sweet little cousin. I remember how Rosalie always took care of him how he spent time with our grandparents, always with a smile with those beautiful little teetn. We spent holidays together we laughed we cried all the normal things an Italian family does. Yet you grow up and go your own way and that is what we did. As family we find each other agsin and we have always known that no natter what the distance we have always been there for each other. I am finding it hard to let go of my little cousin and Godchild, i can't stop thinking of his children of Antonia!! Than I see his face his beautiful smile how he is doing the moonwalk to impress God and I know he is in heaven. Ciao mio bellissimo cuginetto ci incontreremo di nuovo.

“ Anthony was one of our most beloved members of the DLS soccer team. He had a way of making daily grind of practice entertaining. His teammates (Brothers) loved him and he will be missed. As one of the leaders of the best HS soccer team in Michigans history - he helped win DLS 1st State Championship ever. More than just what a great player he was, was about the person he was. He brought laughter and joy to everyone he encountered. He was a great friend to all and loved life. As much as it pains me to say goodbye, I take comfort in knowing he is pain free and is with our lord. On behalf of DLS Soccer, our thoughts and prayers are with Antonia and the children and all his family members. He will be missed but never forgotten - love you Anthony, God Bless
