“ Dear Kudela family We will dearly miss our Uncle Tony, very much, He was my father Benjamians baby brother. I have such fond memories of our talks over the years, and will miss his great insights about life, and his sharing of many memories of growing up in Niagara Falls . His great faith in Jesus Christ was always a topic of our discussions, and always so encouraging . We know he is dwelling in the Holy place now, with our Lord and Savior. My father was so very proud of his baby brother and his educational achievements. Graduating college was an especially proud accomplishment in my Dads eyes. He looked up to Uncle Tony, and spoke of him as almost like a god. So glad we got to share the family reunion experience here at the lake in Wilson. His memory will live on in my heart and In the hearts of so many who loved him. He raised a wonderful family all of whom were very caring of him in his final days, and I am so grateful for that. Thank you for all your tireless work in helping him and for your loving dedication to him. My very deepest condolences to the entire family, It is a very sad day for me to know of my Uncle Tony passing but I know that he now lives with the risen Lord. May you rest in peace Uncle Tony in the arms of our loving Lord God Jesus Christ. May God Bless you, and we are sending prayers of strength and love to the entire family. My deep sympathy and love.
