“ Nina was a loving person to all who knew her. Having MS for forty years, shows you a person who didn't give up. I always looked forward to visiting with Nina when I would go to Michigan. Her Husband Tony deserves a lot of credit for standing by his wife all those years.

*Rebecca, my daughter, loved her very much. She inspired and taught her daughter, Isabella, to give her Grandma lots of valuable attention. Isabella always treated her Grandma with respect.*

*To her children.. as long as I live I will remember your Mother and Father with a smile.*

“ To all cousins-

*Much love during this time to all of you. Although we dont connect as we once did, i think of all of you all the time and have never forgotten Toni and her sweetness. One of my fondest memories is being a small child and the "tonys" taking me to the premier of the 'sound of music'! At the fox theatre ... how young and beautiful and in love they were.. rest my lovely cousin. I will see u again one day.*

*Your loving cousin,*
