I worked for Nino and Joe Randazzo as a young girl at the Mound Rd. and later for Nino at the Gratiot Location for a total of 8 years. I met many lifelong friends thru working there. My sympathy to the family. He was a kind man, and I was proud to work for someone that provided the community with fresh goods at very fair pricing, then and now.

“ *Nino was a class act and a pillar of the Italian community. I did business with him for over 40 years. He was tough but very fair. Quality he placed first above all else. His family will continue his legacy of serving great products at a fair price. He had a good sense of humor and always appreciated a good joke. Nino loved to golf until his bad back made him give it up. So my friend if there is golf in Heaven ... I wish you fairways and greens forever. May God bless you and all those who you held in your heart John Messina Northern Lakes Seafood*
