“ Our deepest sympathy to Barb and family. We were so sorry that we were out of state and unable to pay our respects in person on Tuesday. Arnie was a very special person, a part of our Sage Lake memories for many years...Ron especially will miss seeing him and talking \"wood shop\", etc. at the saw mill. He will be greatly missed all of us up at the lake.... God Bless him !

“ Joe -I had the pleasure of meeting your father and learned that he and my late father suffered from the same form of cancer. The pain from the now great void in your heart will lessen in time, and just know that he is now in a better place. I just wanted to say how sorry i am for your loss, and if there is anything that you need please call.

“ Dear Brewer Family we are all so sad that Arnie has passed. He was a wonderful man. Kind, funny, warm, helpful, creative.... I will always remember him coming over for conversation, to lend a helping hand, or arrange a hunting trip. He would laugh and crinkle his eyes as he would speak of the phoopa's at hunting camp, and other \"mishaps\". but mostly I will remember what a wonderful friend he has been to our whole family and how lucky we all have been to have had Arnie and all of you in our lives. Prepare your hearts for love to enter in... Peace, Renee, Gregg, Ann and Ben Radke
