“ To the parents of Ashlee: I did not know your daughter but my husband and I were driving by the funeral home on Monday and I seen all the cars in the procession and we thought for sure someone famous or extremly loved had passed. I never seen such a large funeral so I did some research. This was your daughter's funeral and I just feel heartbroken for you even though I dont know you. I think Ashlee would have been overwhelmed. She was so young and gorgeous. Makes us wonder why. May you know that strangers are reaching out to you in your hour of sorrow. My thoughts and prayers are with you as they were on Monday. Those who grieve shall be comforted. Sincerely, Sandy & Tony Piccirilli

“ From your neighbors and motocross family in Canada we crossed paths at Red Bud and Baja this year, we are deeply sorry for your loss of such a precious soul and shinning light. Our thoughts and hearts ache for your loss, but the memories remain strong. I deeply effects us all as the family of motocross is strong and across North America combined to provide the energy and strength to help you and your family through this.

“ *I was lucky enough to have met Ashlee at the track. She raced with my son and we had the honor of having her come ride at our house on the track. She was a sweet girl and a dear friend to my son. My thoughts and prayers are with her and her family. We will miss her and she will forever be in our hearts. Motocross has loss a great racer. She has touched so many people and was a role model for all female racers. God speed #316 never to be forgotten.*
