“ I met Ashley several times through friends. She was always so sweet and kind, and had a great sense of humor. She will be dearly missed. I hope the family and friends of Ashley are able to find peace and solace in knowing she is with eternal and infinite light and love. Blessings to you all.

“ We`re so sorry to hear about the grief our extended family is going through. Although we haven`t been near , we still have great memories of this family from years ago. Eve remembers so much about when she spent time there. We also remember the family trips your family made south. We will keep all of you in our thoughts and pray that the comfort of our Lord will be with you in the coming times of grief. We know that it`s a terrible thing to see someone of that age not to have the life we all would want them to have as we have had to suffer recently with our loss of a grandson. Again we are thinking and praying for your families.
