“ Today would be Big John's 81st birthday. I tried to call Dolly but number was not in service. I tried numerous times to call but was unable to reach her. I met Dolly and Ed only once New Year's Eve 1967. Benny and I left Michigan January 2, 1968 back to New Jersey. I always kept in touch with John and Lovely little Theresa. How I always enjoyed my conversations with Dolly. We laughed and cried. She was so beautiful inside and out. I will never forget her especially on November 8th. A special prayer always. She loved her family and she is now in Heaven with Ed and Gary. She loved when Bobby would visit and bring her sweets she liked. You were all blessed to have her all this time. She had hands of gold that were constantly making blankets, tablecloths that I am sure you all cherish. I will never forget beautiful Dolly. Rest in Peace always God bless you all
All my love

Mom, thank you for being an amazing mother, teaching me that all people are special regardless of race, color, creed. You taught me compassion. You taught me how to decorate. You taught me how to entertain. Most of all you taught me to be kind.
I love you. I already miss you!
Until we see each other again...
