Dear John, Jeff &, Michelle and families. Our deepest sympathy. No words can say how saddened we are by this. But we have all the amazing memories which we've shared together for so many years. We will miss her and she will never leave our hearts!! Our cousin was an amazing lady, who was loved by all especially her family. She's in heaven with the rest of our extended family. We will miss her and she will be always with us as we continue to share family times together. All our love the (Pa) Glass family Love Debbie💕💕

The loss of my forever friend for over 75 years. is devastating. Our friendship thru grade school and high days spent at St Elizabeth did not end in 1962. The "Lizzy Girls" continued our friendships and always managed to travel together and have great dinners to discuss our families. We shared the happy and sad times and knew each others secrets. We offered advise (sometimes unsolicited) but we did it out of love. Barbara Jean may your body and brain be restored as you enter the Kingdom of our dear Lord. Prayers and love to your entire family. You will always be a part of the good times we shared. Forever Friend, Immaculate aka Micki
