*Mom Jenuwine was a kind giving person. I was given a very bright hello every time I entered the door. I had not seen her for many years, but she will always be in my heart. ❤️*

“ *Carol, Susan, Catherine, Ruthann and Mary, a lot of my favorite memories from growing up in Armada include ‘Mom’ Jenuwine. Spending time at your house, my friend Susan and seeing your mom at school. Of course at St Mary’s Mystical Rose church also! She was always smiling! Rest in Peace*

“ *We will miss her deeply, as she was my godmother, and always remembered us on our special days. She always so uplifting, and enjoyable to be around. Laura, & I send our condolences to my cousins, spouses, & grandchildren. Jim & Laura Eichten*

“ *My grandmother will always hold a special place in my heart, when I was born in 2002 my grandma was only seventy-three. If I had known I would only have twenty-one years left with her, I would have spent more time with her in the long run. I will always have my memories, for a school project I had to create a three course meal and document it. Thankfully, grandma was more than happy to help. Her and I were up until ten o'clock at night making Swedish meatballs because I didn't think to cut the recipe in half. I've given grandma mini history lessons about a variety of topics over the course of her twenty-one years with me.*

*One of my favorite memories is when grandma and I simultaneously decided that before I left her apartment each time, I would put two fingers in front of her for her to grab with her hand and she would shake. My mother never understood why, since grandma's passing I have explained to my mother why. But it will always be an inside joke between grandma and I.*

“ *I always remember working at Armada Elementary School and talking to Bobbi in the kitchen. As she was making the famous rolls they served. She also had great stories and was so easy to talk too. Hugs and prayers to her family.*

“ Aunt Bobbie has always been a very special person in my life. I'll never forget when Aunt Celie and Aunt Bobbie came to AZ for Joe's funeral. They stayed with friends of mine. When they returned to Michigan they both were having eye sight problems. It took a month before an eye Dr. told them that they had the wrong glasses! Joe and I always felt blessed when Bobbie and Chuck would visit us in Arizona. Our children loved them too! She will always hold a special place in my heart.

“ Bobbie was my neighbor at Town Village. I saw her often going to and from her apartment. She always had a smile and a good word. My last memory of her was last Friday when she came to my Bible study for the first time. She really enjoyed it, and I expected to see her bac k. Her death was a terrible shock for all who knew her at Town Village. A sweet and kind lady.

“ This lovely lady was truly one of a kind! I was blessed to be the most wonderful of friends with her daughter Ruth for over 40 years. When I met Bobbi she was gracious , funny , and just a loveable lady. I still remember her buzzing around her kitchen at their farmhouse, getting breakfast for a bunch of girls who had just met when we were girl scout camp counselors at Camp Narin. She and her family allowed us to come into her home. I Love you momma J! You will be so missed.
