“ *We can't express the hole in our family with the loss of your dad. He was our brother, he spent holidays and family dinners with us countless times. Our lives our richer having him in our lives. My bother Bob never had such a great friend. Peace to all of us that was touched by his laughter, love of life, and gift of friendship . He spoke of his kids and grandkids often, always with pride and love. A good one has left us all.*

“ I worked for Bernie for 6 years. He was a good employer and man. He was a devoted father, son, grandfather and friend. He put so much effort into caring for his mother and trying to bring joy and pleasure to her life. He spoke frequently of his pride in his children and his son in law. He was proud of all of their successes. He planned (leaving \$ around their room to find when he left after visiting) and enjoyed buying his grandchildren gifts and doing things that I know will create memories. He spoke highly of his friends and enjoyed his time with them. A man who enjoyed life and valued the people he loved. He will be missed.

“ Heartfelt condolences to the family! I went to grade school and graduated from high school at St Thomas Apostle with Bernie. Going thru some old photos from the past , I came across one of him and me working on one of our homecoming floats. He was game for just about everything. Bless his heart ! He'll be missed Rest peacefully, old friend!

“ Bernie was the Captain our Bocce team that I have been a part of for 10 years. I always looked forward to Bocce season because I got to spend time with Bernie and the rest of our team. It was always a good time, Bernie was always in a good mood and really enjoyed spending time with everyone. Some of my favorite memories are from playing golf with Bernie. When I had the chance to play a round with Bernie, Bob Carabelli and Dan Shubeck, it was always a great time and a lot of laughs.
