“ I was blessed to know Berta for what seems like half my life. She was always so very kind. At any family gathering I attended, invited or not (it's an inside joke), she'd always greet me by saying "good to see you".

I was humbled when the family asked if I, including several other people, would like to help care for Berta. This was the highlight of my Saturday & Sunday mornings. We'd sit, have coffee & good conversation. I will always treasure those moments & that I was blessed to have Berta in my life. I love you Berta & will greatly miss you ❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️
