“ Dear Dean, Lynn, Lee Jay, Dan, and Betsy, Your Mother was a wonderful person and I have nothing but fond memories of her. So glad we stopped by that day to see her. She was so proud of all of you and yours. She whipped out a huge picture of all of you to show us and talked about each and everyone of you, she will be missed but we shall meet again on that sweet and wonderful day!!

“ Lee Jay ~ So sorry for your loss. It was just literally days ago that you were in the office talking about the hope that you held for your mother. Please know that you and your entire family are in my thoughts and prayers at this most difficult time.

“ We were so sad to hear of Mrs. Kuepper's passing. She was a wonderful woman who I've known since Lynn and I first became friends over 50 years ago. I spent so much time over at the Kuepper household and they truly were my second family. I'm so sorry for the family's loss and will cherish the memories I share with Lynn and her mother. Our thoughts and prayers are with you all.
