“ To all of you kids, my sincerest condolences for the loss of a wonderful woman, a wonderful mom. I just heard today about your mother's passing. She was a woman that I looked up to all of my life. She touched me so positively within my heart that no words can express what she has given me. Her gifts to me shall live on through me, and through my children as I am imparting those lessons to them. From playing at the door with Patty in diapers, until John was babysitting your own kids, you all became dear to me. I pray for you, all, during this time of healing and memories.

“ I'm so sorry to hear that your mom has passed away. I first met your mom when Shaun was playing baseball. Either my ex-husband, Tom, or my cousin Steve were coaching him. The last time I saw her was when my dad, Bob, died in 2006. She was so sweet to come for visitation. My thoughts and prayers are with her and your family. Wendy

“ Beverly was one of a kind, always spoke her mind. She will be greatly missed but not forgotten. To her beautiful sisters may you find comfort during this difficult time and May the Lord bless Bev's children. One more thought, Beverly is now at a place where she and her cousin Joanie can rest in peace. Amen

“ I didn't know Beverly personally but I know Patrick, Shaun, and I met Pattie once. I have been kept informed of her battle. My heart goes out to her children and grandchildren. I do feel that all the pain and trials she has had to bare has been very difficult and I feel she is in a better place now. You will miss her very much but she is no longer in pain. God bless her and her family.

“ My heart goes out to Bev's family and children in their loss. I've known Bev since high school and she was quite a lady. During the last 2, 3 years I tried to drop by when I could to spend a little time with Bev and cheer her up. When I found out that she loved Arby's Jamoca Shakes I often brought one to her. Seldom during her ordeal did she complain. A real lady always and I'll miss her. God bless.
