“ I had the pleasure of knowing this wonderful man and his beloved wife for a few years. I have great memories of them, Bill's special sense of humor, his sportsmanship, his knowledge and passion for cars, especially Chrysler's. And Grace was one the kindest, most caring, and the most hospitable women I have ever known. God bless their souls as they have now joined each other in the kingdom above with happiness and peace forever.

“ Dear Anna and Demmy, Unfortunately due to health problems I may not be able to pay my respects to your wonderful dad. I think both of you know how much I loved your Dad. He was such a great friend to me with a big heart and he helped me when no one would touch me with a ten foot pole at Chrysler. We really enjoyed being together from the time we both began our careers at Twinsburg Stamping in 1957. He helped so many people and leaves a great legacy. He will be sorely missed. Eternal be his memory.
