“My deepest sympathy to all of Brenda's family. Brenda was one of the most positive and intelligent people I have met. Brenda touched the lives of so many children through her years as a teacher but she also touched the lives of the adults that knew her as well. I was so blessed to know her and her family. She was so proud of each of you!!!”

“Adam, Bruce and family, we pray for all in Brenda's passing. We met her and instantly knew she was a child of God. She always thought of others. Toward the end she texted Mary and asked her to love their shared grandchildren in all the ways she would be unable to do so. That is the essence of Brenda that we knew and loved. Be blessed that she came into our lives.”

“Our prayers to all of her family and friends. Mary received a text from her a few days before her passing asking Mary (Callen and Reese's other grandmother) "to love her grandchildren" the way she would be unable to do so. That was Brenda thinking of others to the end. We loved Brenda so much. Mary felt inspired by the battle she waged her against this terrible disease. Our thoughts are for Bruce as he has personally lost two wives to cancer.”
