“ From Lonnie, Greg, Kirk, Eric, Tom and Dan of the Katmandu and Captured Detroit Tribute bands. Brenda truly loved live music and she was one of our biggest fans attending many of our shows with her husband John throughout Michigan. She was such a cheerful and welcome presence and we were always delighted to see her. She came to see us late last year at a Katmandu show while still bravely fighting. She meant a great deal to all of us and will be greatly missed. Per the request of the family a donation has been made to the Woodside Bible Church. Rest in peace, Brenda. We miss you already.

“ *My sister~*

I prayed for you to be free of pain knowing Gods promise. I now feel a pain in my heart that I pray will ease. I miss you so much and can't imagine this life without you. We talked so much about our loved ones in heaven and still here on earth. I am digging deep tonight and every day moving forward to resume a happy life along with honoring your wishes. You taught me so much big sis, I wanted more time, but I am forever grateful God gave us 52 years together, 3 weeks 24/7 together recently and that He made us sisters. Love you forever, fly high my angel and I will see you again. I love you sista! B

“ I've had the honor of knowing Brenda for many years. We shared
many stories of our children , out of state adventures and of course
the many concerts her and John attended. I've given her different
hair styles through our visits at Pomponis Hair Salon. My family and
I send our deepest condolences. Rest In Peace Brenda. You will
truly be missed.
