

Brian Wayne Allossery, Jr.

January 19, 1982 - October 7, 2025

Brian Wayne Allossery Jr., 43, of Sterling Heights, Michigan passed away on the morning of October 7, 2025 at Corewell Health Beaumont Troy Hospital after a brief but fervent battle with cancer. Born on January 19, 1982 in Grosse Pointe, Brian grew up in Madison Heights, Michigan and later graduated from Lake Superior State University with an Associate's Degree in robotics engineering. Since graduating, he has had a meaningful career in the field of robotics, including most recently a position as a project leader at General Motors.

Beyond his professional achievements, Brian was his happiest self when he was spending time outdoors with his family. His favorite activities included hunting, camping, playing hockey, coaching his son Hunter in various sports, playing Pokémon Go with his son Bo, and cooking for his family on his beloved Blackstone grill. When indoors, Brian loved to build puzzles, play games with family and friends, cook wonderful meals, cuddle with Duckie and Buckie, the family cats, and take loving care of his wife, Kayla.

Brian will be remembered as a man who loved his family and friends with every fiber of his being. Even while suffering in his final days, Brian thought of others' needs before his own, and his love as a father, a husband, a son, and a brother were apparent to those who spent those precious last hours with him. Brian contributed to his family and his community in countless ways and

leaves behind an unfillable void.

Brian is survived by his wife, Kayla Marie (Polega) Allossery; his sons Bo Polega and Hunter Wayne Allossery; his mother Theresa Livingston and her husband Steve Livingston; a brother, Brett Allossery, his wife Michelle (Motyl) and son Miles; a father-in-law, Martin Polega; a brother-in-law Martin Polega II, his wife Jenny and sons Calvin and Micah; a sister-in-law Kaleena Polega Hennesey, her husband Aaron, son Everett Hampton, and step-children Jude, Ember, Ike, and Obbie Hennesey; aunts and uncles including Nancy Junga, Mike (Gloria) Junga, Mary Junga, Tony (Barb) Junga, Terry (Rose) Junga, Mark (Heidi) Junga, Chris Richard, and Greg (Suzi) Allossery. He was preceded in death by his father, Brian Wayne Allossery Sr., his mother-in-law Lisa Marie Polega, his Uncles John Junga, Ray Richard, and Gene Allossery, and an aunt Denise Allossery.

“ From the early days at Lake Superior State Club Hockey, where his laughter filled the locker room, to the endless road trips that became stories we still tell — Bubba brought life, humor, and heart to every mile. Whether it was a road trip for a weekend series, a gathering at the Cedar House, or a post-game celebration, he made every moment an adventure worth remembering.

And then there were the golf days — those peaceful rounds filled with good-natured ribbing, big drives, and bigger laughs. No matter how the scorecard ended, Bubba always made sure the day felt like a win.

He was more than a teammate, more than a travel buddy, more than a golfing partner. He was a loyal friend — steady, kind, and unforgettable.

Rest easy, Bubba. We'll carry your spirit with us — on the ice, on the road, and on the fairway. 🏌️💙🏏

“ Brian was a part of our MAGNA team in Toronto, Ontario. where we were stranded together for 10 months, with no place to go. But the parking lot, on the West side by the expressway. but we would grill food together as only the grocery store, prescription areas in Walmart, and beer was available at the beer store. All restaurants were closed, unbelievable. We all got off to work together and went home to hotel parking lot because of COVID-19. We couldn't gather, where the OPP would allow us to. BRIAN was our Chef, We had two grills to setup and we gather and have our dinners. For exercise go for a two mile walk along the river stories of great time he loved his family and camping and cooking 3 meals, and being the Chef. He Loved it. Being a dad.

He will be missed and holds a special place in our hearts. Amen!

“ He was a great dad who did everything for me and Bo and my mom went anywhere for us when we were sick even though his life was short he lived a good life he enjoyed going hunting with me and I loved going hunting with him to one time he missed a buck 5 times in a row and the buck didn't move he coached me in flag football and pushed me even when it was hard I still did it . He loved playing Pokémon go with my mom and Bo . I personally didn't like Pokémon go. But anyway he loved going every Sunday and Monday that's when the Pokémon events were and before he left Bo said" can I have all your good Pokémon" some of us started laughing cause Pokémon was kind of addicting for my mom and brother but he was a good dad it sucks he's gone but he's in are hearts and unfortunately we do have to move on and live our lives we have time to greif we will have our moments and he will miss a lot of good achievements in our lives like me playing football and baseball my brother playing his violin and his beautiful and amazing paintings but he was amazing and we will miss him

“ *Don't even know where to start because I spent so much time with Bubba from a young age playing mite hockey together through high school. Hockey in general was an amazing experience and playing with the same person, my best friend for so long was a gift at that time I didn't realize was so precious. One thing we both agreed was a very strong childhood core memory was going on hockey tournaments with the team, the thrill of the competition, the terrorizing the hotel staff with our shenanigans and the coveted mini-stick games in the hallway. Those tournaments and the comradery with team we both enjoyed immensely.*

JK just told me about your boy and it's heartbreaking. I remember Thursday's at Grosse Pointe summer pick up hockey. What a good man. Life sometimes deals a bad hand you can't overcome and it sucks. My prayers to Bubba's family and you as well. Let him live forever in your heart and memories. RIP Bubba.

“ When Brian learned that I had never been to see the Wings, he made it his personal mission to find me the best possible spot available at the Joe. It was a wonderful experience, and I'm so glad he took the time to make it so memorable. This was true of everything with him. If he had an interest in something, he didn't just like it, it was a passion. He learned all that he could. I'll really miss that.

“ Brian and crew would camp a lot. We have gone with them a half dozen times or so. Brian always wanted to cook the meals. It made a lot of extra work for him, but he liked to do it anyway.
