“ I am sending the deepest condolences to you and your families. Brian touched many lives with his generosity and willingness to help others. We have been best friends for nearly 30 years, and I too feel an emptiness that can never be, nor could be, filled by another person. He was the best hunting and fishing buddy, as well the best of friends. I will miss our regular calls and the anticipation of his visits. He was the best all around guy you could ever wish to know. But he is with God now and that is a wonderful place for Brian to be. I hope that his family finds some comfort in knowing that. I will always feel this emptiness, but heaven gained a wonderful person. Rest in peace my friend. I hope to be there soon so we can catch up.
