“ *I'm so sorry for your loss. The twins are making their first communion here in TN on that Sunday with family traveling down so we won't be able to make the trip up for the viewing. I really wish I could be there for you all. I have many great memories of Bruce. I was just saying to Nate how Anne and I would come over for weekends and babysit. Bruce was always the cool nice one who gave us money for pizza and Lori was the high strung new mom lol I remember many family get togethers with Bruce's smiling face watching football with the family. His presence will be missed. I'm so thankful for being able to spend this past Christmas with you all and getting to hug Bruce one last time. Much love, hugs and prayers!*
