“*Camille frequently taught classes at Washtenaw Community College where I work. She was truly wonderful person and teacher. I am deeply saddened at her passing, but I am glad to have learned that she shared so much of her life with so many her high school, middle school and dance students. God has blessed us all with Camille's life, and may he comfort her family in her passing.*”

“ Ms. Camille was so such a calm, gentle soul who showed her dance students the joy of ballet. She encouraged so many girls in ballet who might have stopped or not tried pointe. She lead by example that you never have to give up what gives you joy, it was wonderful how she participated in the dance recitals with the girls. She has left us too soon may her family have comfort knowing she is dancing with angels now.

“ I am so sorry to hear of Camille's passing. I met Camille when I sat next to her at the Doctor's office. I was very scared and nervous, she noticed this and started to talk to me. She tried to comfort me and answered many questions. Even though she was also fighting her own battle, she was very kind and helped to make a difficult day a little better. I will always remember Camille for her kindness that day. God Bless Her.

“ When I was in Chatterton Middle School I had Ms. Fouchey as a teacher and absolutly loved her class. I still remember to this day how she made us put paper over our hands to type so we wouldn't cheat and how she would give us tickets to her prize closet based on the number of lines that we typed. I remember I didn't do chior that year because I just loved her class and the energy she brought to the classroom. May she rest in peace, she will be missed.

“ Camille was my computer teacher at Chatterton Middle School and later became my dance coach at Fitzgerald High School. She actually started the dance team at Fitz & we went on many adventures including: dancing at the Thanksgiving Day Half-time Show for the Lions vs. Bears, dance camp, etc. She seen me walking home one night in the freezing snowy weather after practice, picked me up, bought me a hot chocolate, and drove me home. She was like the mother I never had. Now I wish her peace and will know that she is a graceful dancing angel in the heavens above watching over us. Lots of love & prays, Starrleen

“ *Camille was an amazing woman that brought a huge amount of passion and knowledge to our dance studio. I truly enjoyed both being taught by her and working by her side. She was such an inspiration to so many and helped to shape many beautiful dancers. I feel lucky to have had my life touched by such a wonderful lady - as a teacher, a co-worker, and a friend. She will be greatly missed!*
