“Joe and Ray, I'm so sorry to hear of Carol's passing. It's harder to learn of the death of a schoolmate who you went to school for so long. I hope it was gentle. My prayers are with all of you.”

“Carol was a second mom to me while Michael and I were growing up. She was a very important part of my life for many years. We drove her crazy but she was always there whenever we needed her. I miss our conversations with her. She taught us many things over the years. It has been awhile since I last saw her but I thought of her often. She sent me a very lovely note when my father recently passed. I wish I would have gotten to see her one more time. Rest In Peace and fly high with the angels. We will miss you terribly. Know that I will do what I can to help Mike get through this. Until we meet again...”
