“*My heart is broken. I was so lucky to know you and I will forever have wonderful memories of training you in the gym. You always told me that I inspired you but really, you always inspired me with your quick wit and undeniably loving heart. You were one of the strongest women I've had the pleasure of knowing. Thank you for all of the laughs and for sharing yourself with me in this life. I will miss you terribly and I will always love you. Forever a champion . . .*”
