“Cristel & family - I am so sad to hear of Caroline's passing. I'll always remember her as bright & cheerful and she was so supportive when we had our first child. I'll always remember her touch when she used to do my hair so many years ago. She will be fondly remembered in my heart.”

“A beautiful part of SJV has departed. There is definitely a sadness that permeates the sanctuary. Caroline's ever present glow, positive attitude and her overall classiness will be sorely missed. She radiated pure goodness, a true follower of Our Father. Prayers to you, Gary, the love of her life. Cherish those memories. Just so, so, sad to see her go.”

“I had only known Caroline very casually and recently, yet felt compelled to go to the Funeral Mass. She and I went to Thursday evening mass at St John V. She was warm and engaging. There was something good about her, very good. I wish Jan and I could have gotten to know her better. I found just today Gary is the son of Linda McGuffie our next store neighbor. Shannon, Ken, Linda, Larry were all very close friends. In eternaty I have great confidence that God is welcoming her.”

“My girlfriends and I attended Thursday evening mass at St. John Vianney often. Caroline almost always did the readings. While we never actually met officially I so looked forward to hearing her voice during that important part of mass. It was always so calming and easy to follow. I will miss all that she brought to mass and how much it meant to me. God bless you all. I will keep you in my prayers”

“Dear Gary and family, Words cannot express the sorrow we feel today. The loss of this beautiful loving and caring young woman has had a tremendous impact on Larry and I. In a note she sent us she said "God brought her and Gary together and the same God put each one of you into our lives and for this we are thankful". Well we too are so very thankful that we were able to share the joy of knowing you. We know that God will take care of Gary and fill him with love and peace. Until we meet again. Uncle Larry and Aunt Sandy”
