

Cataldo 'Carl' Bonanni

January 17, 1945 - April 15, 2024

Cataldo "Carl" Bonanni died peacefully on Monday, April 15th, 2024, with his family and best friend at his bedside.

Carl who was born in Supino, Italy on January 17th, 1945, made his way to the US with his family on the Christopher Columbus on May 28th, 1955 becoming an American Citizen shortly after where they resided in the Detroit Metro area.

Carl is a US Vietnam Veteran who joined the US Navy in 1964.

He served his country as a 2nd class petty officer on the USS Rehoboth AGS50 touring in Vietnam, Hong Kong, Japan, Midway, Hawaii, Alaska, and several other countries over his 4.5-year tour of duty.

Carl met his wife Kris in 1966 towards the end of his service with the US Navy when he was stationed in Treasure Island, CA.

They married shortly after and had their only child Maria a year later. Carl brought Kris & his baby daughter to make their home in the Detroit Metro area. When they arrived back in Michigan, Carl's large Italian family welcomed and embraced his new family of 3.

For most of Carl's working career he was an entrepreneur & business owner which included a few pizzerias in the 80s, and a unique carry-out pasta concept called Pasta To Go from the 90s until the early 2000s. He had planned to retire in 2007, but realized after a short while that working in the pizza business and interacting with people was truly a passion of his. Thinking of working for just a few more years part-time, he found the perfect opportunity to work as a supervisor for two wonderful Little Caesars franchisees. He stayed with the Little Caesars franchise for 10 years where he built amazing relationships with the operators, the staff and the customers who came in to grab a pizza and see his smile. After having knee surgery that laid him up for longer than expected, he decided to officially retire in 2018.

Carl loved to golf, travel, sing karaoke and gather with friends. He started woodworking shortly after retiring where he enjoyed making unique gifts and custom orders for friends and family. He more recently became an active member of his local VFW hall where he was the kitchen manager of the hall because he LOVED to cook and entertain. When he wasn't doing any of the above, he'd enjoy beautiful summer evenings sitting on his deck after grilling the perfect steak. He'd cap off the night with a cigar from his humidor sipping on a glass of his favorite bourbon (Bullet), or a glass (or 3) of wine. As the nights became chilly & crisper with the fall and early winter air, he'd move those night caps into his garage where he had his woodworking shop set-up. The same garage where he proudly hung his American Flag because he loved God and his country.

What he loved and cherished most was his family. Nothing made him happier than spending holidays, weddings, birthdays, and any family gathering to enjoy delicious meals and seeing everyone together celebrating whatever the occasion. Family meant EVERYTHING to him because he was a strong believer in holding family traditions.

Carl lit up a room whenever he walked in. He was the life of every party, he was a “glass half full” kind of guy, and he LOVED LIFE to the fullest.

He was a man of dignity, honor, integrity, and genuine kindness. He was a positive influence for so many who also considered him a role model and mentor.

He is survived by his wife Kristi (nee Clarke), his daughter Maria (Sean Palm), his 5 siblings and their spouses including sister Phyllis (Tringali), Tina (Dalea), Joe Bonanni & (Rita Bonanni), Anna (Cole) & (Roy Miller), Toni (Marino)& (Russ Marino). From his family of 5 siblings, he loved all of his 15 nieces and nephews, including their spouses/significant others and their kids.

He is pre-deceased by his father Nicola Bonanni and Angelina (Mancini), and two brother in-laws, Jimmy (Phyllis) Tringali & George (Tina) Dalea.

Although Carl's sudden illness and very brief battle with 2 aggressive and unrelated cancers cut his life far too short, we're confident he'll have wanted his family and friends to always remember his smile, his passion for life and his true love for all whose lives crossed paths with his. He left a memorable & lasting impact on so many people and would want us to celebrate his life and cherish the memories that have been made.

“ My heart goes out to the family for the loss of Carl. I worked with Carl at Blackheath, in fact, he was my trainer. He was a friend from the time that I met him and I feel honored that I was able work with him for 4 years. We enjoyed talking about our golf ball collections and all the ways we could make Blackheath better.

“ *My dear brother Carl...there are not enough words to describe the impact you left on so many people that you crossed paths with, friends and family. You made everyone feel welcome. You made them laugh and you were always the life of the party. I can't even begin to imagine a family gathering without you but I know that you, Mom and Dad will always be with us. You will be missed more than you will ever know. You were a great big brother and you will always be in my thoughts and in my heart. Rest easy now till we meet again. I love you.*
