“ *I had the pleasure of working with Cathy at Center Line High School. Everyday she would come in with her smile and we would share what was happening that day. She enjoyed her job and was a great head custodian. We shared so much about our families with each other that I came to think of her as my second mom. She was one of the kindest people I've known and a great person. My prayers go out to her family in this time of loss.*

*Love,
Claudia Hardy*

“ I got to know Cathy and we became friends working together at Centerline High School. She was also my head custodian before she retired and she was the best! We had some wonderful memories working together, especially our awesome Christmas parties, I'm talking deep fried turkeys and rotisserie chickens such special memories I will always treasure!
God take good care of her in heaven. She is a special lady and will be missed dearly here on earth!

“ Cathy was my son's mother-in-law and she became a wonderful friend to me. She was the kind of person who gave you support and care when you didn't even know you needed it. She helped me through a very sad time in my life and I will always be grateful for her caring and sharing moments of her own life. I was always amazed hearing her stories especially about her life in Las Vegas when she was young. She brought joy and love to her children and her grandchildren were the light of her life. She will always be remembered by them as their adoring grandmother and her memory will always bring joy. Rest, Cathy, and know you were loved by so many.
