“ *Cathy started out as our babysitter and became an adopted member of our family along with Marty. We have spent a lot of time with them. Cathy made us laugh with the detail notes she took while babysitting. She would even draw pictures to go with her words. She was always willing to try my cooking experiments. I love that she could eat and not gain a pound. The most important things about Cathy was her ability to forgive and grace she showed throughout her life and her faith. Cathy lived her life as a faithful Catholic. Her faith inspired not only me but our children. Thank you Cathy for showing us what it meant to live a faith filled life until we me again we will watch over you beloved Marty!*

“ *So sorry for your loss.*

Prayers for the family that God will help them through this difficult time.

I became friends with Cathy when I became full time caregiver for my dad, who lived next door to her and Marty. We would talk over the fence about gardening, religion and family. She will truly be missed by everyone she was very kind.
