“ I'm so sorry to hear of the passing of Kitty. My most memorable memories of her was her smile and laughter. She made you feel good just being around her. She was also a great cook. My thoughts and prayers are to her family.

“ kitty and I met when I moved in next door to her, and quickly we became wonderful friends. She always had a smile and made you feel good just to be around her. With all the health challenges she went through she never complained and always had a positive attitude. She was one of those people you feel so blessed to have had in your life. We loved to go to dinner when she could fit me and a couple other neighbors into her busy schedule...that being lunch with her family and her bingo games. I am going to miss her sense of humor and that beautiful smile. Thank you Kitty for a wonderful friendship and beautiful memories. My love and deepest sympathy to your wonderful family.
