“*I am saddened by the passing of a woman that I considered my second mom when I was growing up. I have many memories of laughter, baking sessions, birthday flowers, and introducing me to wonderful Italian food, just to mention a few. As sad as her passing is, I am joyful that she no longer has to suffer the challenges of her earthly body. She now will finally be at peace. She was truly loved by those that knew her and she will be missed, but always remembered.*”

*Whatever Amelia! I am Catherine m. Watson, and I am just fine! I was in your rescue mission in Victorville CA. Where you used my private information for your purpose of greed!*

“Gram, it's still hard to believe that you're gone. Thank you for being the best grandma that I could ever ask for. I'd like to think that you're jitter-bugging with Papa Jack and Uncle Ronny up in heaven and that makes me smile. Miss you so much and I'll always love you more! xoxoxoxoxoxo”
