“ Auntie Catherine. I've never met anyone who doesn't love her. When I was little, having her right down the street was as comforting as seeing mom at home right after school. I look back now and hope she didn't get tired of me always being at her house!! My little cousin Michelle gave all the great reasons for being there! The love, the great toys, Peaches the cat, and, of course, Lynda. My closest cousin. May her loving memories live on in all our hearts. My prayers are for a peaceful, eternal rest for one of the most deserving women God ever created. Hug my mom and dad for me Aunt Catherine. Until we meet again....❤️💔

ME

“ *I can't count the ways my Auntie Catherine (my Godmother) brought joy, love and great memories to my life. From the family bike rides to go visit Lillian street to all of all the cool stuff a kid could play with in Auntie Catherine's house. I can still hear the chime doorbells. I remember sitting at the kitchen table and having my first taste of coffee, peaches the cat, the yellow rotary phone, the basement grocery store ( you all know what I'm talking about 🤔), the basement cellar.... I could go on. Most of all I remember feeling so loved and wanted every time I walked through her door, I was always greeted with a huge hug and kisses. I am going to miss her dearly. But like I told her; this isn't goodbye, it's I'll see you later.*
