“ Pat, Kim, Alexis, Victoria & DeAngelis Family -

Sending my condolences on the loss of Chuck. He was a dear friend and kind soul. Looking back at the times I shared with him... whether at MSBO, job sites, or a quick conversation to chit chat and catch up... he was always someone that made me smile. I also learned so much from working with him on past jobs -- he was a great mentor.

Chuck's legacy will be one that is honored and respected by many. He will truly be missed.

May he rest in eternal peace with our Lord and his dear wife, Josie.

Chuck was one of a kind, a great guy and a valued mentor. He was always ready to lend us guidance and I truly appreciated him as I came through our industry. He'll truly be missed, God bless Chuck.

*Charlie was the only engineer I knew in my 60+ years in the business who could draw with both hands. He always had a great, warm smile (like we see in his photo) that matched his great, warm personality. That personality just jumps right out of that photo. Rest in Peace, Chuck.
