“Charlotte is and always will be a beautiful person inside and out. I have known her for many years, we share a grand daughter together, Kayla said Charlotte and I were her cool Grandmas. We were up dancing at her Grad. party. I want to hold on to those memories of her and the look on her face when I gave her a pic. of Kayla in her cap and gown. She held it all night long. She loved all her grand kids very much. She will never be forgotten, always in our hearts.”

“Aunt Charlotte was a feisty yet very warm soul! She was always the first to open her home to anyone in need, including my husband when he got transferred here, before we found our home. She loved to poke fun and tease anyone whenever the opportunity arose. And trust me, she was fast at finding those opportunities! She scared me as a child with her "no-nonsense" perspective but I will miss her dearly and I'm very grateful for the relationship we developed over the past 10 years as she saw me as an adult, an equal. I'm grateful to have spent her final hours with her while she was happy and healthy. She bragged about the Easter Lilies Brian brought her that morning and admired my hyacinths. She kept stating how beautiful they were and how great they smelled. I will always think of her when I get my spring time hyacinths. I love you Aunt Charlotte and may you rest in peace.”
