

Cheryl Ann George

July 13, 1955 - November 7, 2023

GEORGE, CHERYL ANN (nee Severini) age 68 November 7, 2023

Beloved mother of Derek (Kelly) George. Proud and loving "Grandma CG" of Dino and Gia. Loving daughter of the late Armand Severini and the late Millie Severini (nee Achille). Dear sister of Pam Severini, Sue Severini, Tom (Terri) Severini and Annette Ruggero. Dear sister-in-law of Mike George and Diane (Mike) Prior. Loving aunt of Ricky Jay, Rob, Rachael, Jason, Stephanie, Laura, Ryan, Travis and Tatum.

Cheryl was a beautiful soul who touched hearts and impacted lives wherever she went. To know her was to know someone special. She had a warm and thoughtful way of adding sunshine to your day, making it brighter and happier.

As a daughter, she was the firstborn, a source of pride and joy.

As a mom, she was devoted and determined to raise her son to be the best man he could be.

As a sister, she was a mentor and role model, full of wisdom and sound advice, and a pillar of trust to confide in. She created a path showing her siblings that it's okay to take risks and fail sometimes because, with enough will and persistence, things will turn out.

As an aunt, cousin and godmother, she was nurturer and cheerleader, a sister substitute. She believed in you, helped you follow your dreams, lifted your spirits, celebrated your wins while solving problems and mending hearts.

As a granddaughter, she was companion and caregiver. She had an extraordinary bond with her grandparents.

As a grandma, she was a fountain of love, praise and inspiration – ready for fun and adventure. She adored her grandkids beyond measure and played a huge role in their lives, despite the distance.

As a friend, she was a treasure who loved you as you are. Not only did she see who you are but who you could become and helped you achieve it. She had a gift for remembering the little things that mattered most to others – names, personal stories, events. Always with a cheerful smile, she had a kind way of doing things that made people feel good. She championed and encouraged friends through trials and adversity, thick and thin.

As a child of God, she was selfless and faithful, with a servant's heart. She loved the Lord and His people, especially children (anyone's children!), working in numerous church ministries over the years. She studied the Word and was passionate about discipleship. She was a fierce prayer warrior, and her faith and light radiated to everyone she encountered. Even as she waited on fulfillment of God's promises, she stood firm and believed.

As we surrounded her in the final days, we wondered about the timing of her ultimate crossover into eternity. How fitting that her date of death is 11/7: Eleven is the number of transition or spiritual transformation, and seven is the number of completion/perfection. God created the world in six days and rested on the seventh. Cheryl transitioned from this world – transforming her spirit

and completing her earthly existence – into her perfected body and rested in the open arms of our Savior.

“The Kingdom of God is for those who have given of themselves in love and who enter the community through their care and concern for others.” ~
Matthew 25:31-40

Rest well in His kingdom, our good and faithful servant. You will be dearly missed!

“ Cheryl was a true Angel that has her wings now. Worked with Cheryl at Troy Gastro and shared an office with her. She spoke of her grandchildren often and would tell me about them. We shared a special bond and she was always there with prayers when needed. She always asked how my family was and knew them by name. We shared lunches and dinners with other ladies from work. Great memories of a beautiful friend. Rest in peace my friend til we meet again someday. Love you dearly and you will be missed so much. Prayers to the family ... you lost a beautiful mom, grandma, sister, aunt, cousin!

“ I had the honor of knowing Cheryl for 55 years. She was a fantastic person! I never heard her say a negative thing about anyone. She was great with my mother - Carole George. Over the years Cheryl took her to the beauty shop, gave her perms, and picked her up for lunch. Any time my mom needed something, Cheryl was there for her. She was always a part of our family celebrations. Even when she was sick, she never complained. Her only response when asked how she felt was “I’m doing great, thank God!” Her faith was an inspiration on how to live life. I’ve included a photograph of her on Mother’s Day 2021. She is with my mom, my sister Diane, my niece Laura, and me. I miss her dearly. She will live on in my memory. With love, Mike

“ Devastated to hear of Cheryl's passing - I have known her and Bill since jr. high school and we hung out together too many times to count. Bill was one of my best friends. The last time I saw Cheryl, she came to the Packard Grill to see my band playing there. I found a couple photos from our many fun times together. The one of them together was in 1974 and the other one is from one of my birthday parties c1970's. She will be missed as well as Bill too.....

“ I'll always remember Cheryl for the sweet and gentle person that she was. I've never met anyone so loving and so even keeled as Cheryl. Your tribute to her is right on. One of the "Severini girls " as Louie lovingly called them. We became friends immediately. Cheryl taught me how to make her pizza and spinguini which I loved. She patiently took all my calls while I made my first one. RIP Cheryl and know we all love you and will never forget you.

“ Cheryl was my very best childhood friend. We spent most Saturdays at each other's home. We were in the same class, Girl Scout troop (Cheryl's mom was our leader) and parish. I recently reunited for a WWHS debate reunion. It was a joy to see each other and I'm so grateful it happened.
