April 2, 1963 - July 15, 2020

WALLACE, Cheryl, M., (nee Doty) July 15, 2020 Age 57. Beloved wife of Curt for 34 years. Loving mother of Constance (Travis) Norville, Abigail (Robert) Haley, and Corinne Wallace. Proud grandmother of Ryann Haley and Milo Norville. Dear sister of Suzanne (Tom) Kolioupoulos, Timothy Doty, and Thomas (Tina) Doty. Adored aunt and godmother of Ava Marie Doty.

Predeceased by her parents Timothy and JoAnn Doty.

Apart from her family, Cheryl's greatest joy's were gift-giving and Christmas. In recent years she had taken part in the Friends of Foster Kids Christmas program, which provides Christmas gifts for foster children who have been removed from their homes due to abuse and neglect and placed in temporary housing or shelters. It gave Cheryl great joy to volunteer with this charity wrapping gifts and fulfilling children's wishlists to ensure they had a magical Christmas morning (much like the ones she gave her family). If you'd like to help us honor Cheryl's Christmas legacy, donations can be made directly to Friends of Foster Kids at the following link: <https://friendsoffosterkids.org/portfolio/christmas/>

“ I will always remember Cheryl for the amazing woman she was. Some of my best childhood memories include her. She was the connection to unconditional family love for my mom (her godmother) for all the years we lived so far away. All my love and condolences. - Cousin Dianne

“ We were very fortunate to have known Cheryl through her friendship with our daughter Sherri. She was a truly wonderful person. She and Curt included us in many family gatherings. She always called Jim Mr. McDevitt when he told her to call him Jim. One time she mistakenly called him Jim and we had a good laugh about it.
Rest in Peace Cheryl

“ As a small girl Cheryl ran through a glass door scarring herself for life, and almost dying in the process, to save what she thought was me walking in to the street! She never smiled “equally” again because of the nerve damage! She was made fun of growing up because kids can be cruel! I Wished I were an older brother soo many times to beat the crap out of those kids! But they couldn’t break her spirit and she became the best person I have ever known! The sheer will and determination to rise above she displayed so early in life would become infectious to me. I am.positive that the example she set played a more than major role in me accomplishing anything worthwhile. Thank you Big Sis!

“ Cheryl was the most beautiful person inside and out. She had a kind loving heart and was generous with everyone.I especially remember the support that she gave to my sister when she ended up having to get stitches on her lip and was left with a scar. I believe that Cheryl’s attitude and disposition enabled my sister to see how beautiful she was still.
