“ *A man loved & respected by so many, my Great Great Uncle Jess. An incredible role model to my dad, whose even described him as "a Patriarch to our family". God rest his soul.*

“ *My earliest memory of Uncle Jess was at Dziadeks funeral, I was very little but remember having a hard time telling him and Uncle Eddie apart. Then was very confused when I saw the two of them sitting with Aunt Stella and Busha talking and wondered why I couldn't understand what they were saying. My mom explained that they were speaking Polish. I remember just loving going to his house or when he came to ours. Everyone loved his jokes at family gatherings. Uncle Jess was very special to my mom as well, he truly was and will always be my "great" Uncle. I will miss him very much and always be grateful for the memories I have of him. Rest in peace Unc you will not be forgotten.*
