“ We are so very sorry for your loss. Chris was a dear friend and co-worker with the kindest heart. She is the only person I have ever known who, while the rest of us were calling the middle school custodian, would catch a mouse and release it outside to save it from a trap. She loved all things, her family most of all. We are sending prayers for you all and hoping your memories will comfort you in the years ahead. Sincerely, Lynnsey and Steve Burke
