“ *"Christine, my cousin, will be dearly missed. Our history of childhood summer vacations, the camping trip at Pontiac Lake, and family holiday celebrations are pleasant memories of 2 girls growing up. Thank you Chris, for our special dress-up luncheons with my Mom, and thank you for allowing me to share time with you these past few months. Your beautiful smile, twinkling eyes, ever kindness, and generosity were so naturally you. My love always and forever, Your cousin, Lenore"*

“Dear John and Family,
I am so sorry for your loss of Christine. My thoughts and prayers go out to all of you. I know nothing can be said to make your grief disappear, but I am hoping time will eventually ease it some. It was fun playing canasta, peanut heaven, and other games on Comstock street, many times on Chris' front porch. Her Mom and Dad, her brothers and of course the pigeons, are a big part of my young life. Many a good memory. Thank you Chris for sharing those good times with me.
Sincerely, Claudia Lichota McIntyre”

“It is with sadness to know that Chris is no longer with us. She has always had a beautiful glow, a sweet smile and strength of character that enveloped those around her. For her family, Chris was all that a mother could be and the Olson Florence Nightingale. She was their rock. Friends and Shelby Gardeners shared her love of the outdoors, games and flowers. Chris has always been a loyal friend. While Chris is gone now, she will never be forgotten.”

“I first met Chris when she attended her first meeting at my home for Shelby Gardeners Club. Chris became a "Great" member and worked very hard on all of our projects and Garden Walks. She served as President from 2002-2004. Even with all her challenges at home. Her own gardens were very immaculate and BEAUTIFUL. Chris was always willing to share gardening ideas and she loved her roses. Although Chris had to resign from Shelby Gardeners Club her heart was still with us. She always attended our Christmas Party and meetings when she was able. Last year she said she really hope she could return to being a full time member. We will miss Chris for not only was she a member she was a very good friend. Chris will always be remembered for her Great smile and friendly conversations. Love and Prayers to her family whom she loved and cared about so much. They always came first. God Bless, Suzie Souva, Shelby Gardeners Club”

“John, Renée , Anthony, Vincent and Victor we are very sorry about the tremendous loss of your mom and grandmother. She was matriarch of your family and it is, shown by the life she had raising two beautiful children and grandsons. She fought very hard to keep her daughter healthy and everyday she made sure she was comfortable. She fought her own battle with cancer until God said it was her time to come home and rest. She is being embraced by God and her family and is no longer in pain. We are praying for all of you right now. Love to you all.”
