“*I am so sorry for your loss. Although I didn't know Chris, I knew his grandmother, grandfather, dad and mom. My mother was a dear friend of his grandmothers and I spent many times swimming at their house. I am so sorry you are experiencing such a horrible loss. May God bless your entire family.*”

“Chris was the most loyal person I have ever met in my entire life. Our friendship started when I was 9 years old and he was 10 in Havel elementary school. Our mutual friend Ryan Pennel introduced us and we immediately clicked and became best friends so close that I consider him my brother. Not once in my life have I encountered someone who had so much love and passion for others and the things he loved. I am able to ride dirt bikes today because Chris taught me how to ride. I am able to stay positive even during a negative situation because Chris taught me no matter what to look on the bright side of any situation. The list is endless of the positive things about Chris. I love you Chris you personally affected my life so much and have done so much as a brother for me I still can't believe this is real. You will never be forgotten. You are going to be on my mind for the rest of my life.”

“Having a cousin like Chris to grow up with was truly a blessing. My memories with him flash through my mind like a movie, and I will forever cherish them. I remember most all the times we spent playing games in our mamaw and papaw's front yard as children, and all the long talks we had together as we got older. Chris had a heart of gold, and a laugh that was so contagious that I will forever miss hearing. My aunt Robin and uncle Vic raised an incredible young man that was taken from all of us way too soon. He will forever be loved and missed.”

“I see Chris's smiling face every time I close my eyes. My nephew would always greet me with a "Hi Uncle Bobby" and a big hug. What a wonderful young man this family has lost far to soon. You will be missed so very much.”
