Proud and loving uncle to many nieces and nephews. Chris truly had a zest for life. He had a passion for all things outdoors; hunting, boating and taking in a good sunrise and sunset. “ Chris, our dear friend and also considered family to Ron and I. He was always a treat to be around, his humor and casualness to life and problems. So many happy memories of Chris and his deer camp stories. And his dear Mary who was a great companion to him, caring for and loving him - made his heart sing. So many good times with the two of them and so many fond memories. A life well lived! With love and sympathy, Sharon Schurman

“ To the Scott Family,

I had the good fortune to have had the opportunity to work with Chris on a number of legal projects that he was involved in and managing over the years, and I always found him to be a highly professional, cooperative person to work with. I will miss his smiling face and good humor. I don't understand why the good ones die too young My sincerest condolences to the entire Scott family.

“ To Chris' family and many friends - my heartfelt condolences for (y)our loss.

Chris was a dear soul whose generosity & hospitality could not be equaled...

I have numerous and fond memories of Chris about the antics and pranks he played upon his friends and his good-natured tolerance when they were returned in-kind!

I am again, so sorry for his all to soon departure from this mortal coil...

Vaya con Díos, mi viejo amigo!
