“ I grew up on the same street with Connie as children. There was an age difference so I never knew her well. But I have a lovely memory of her as a child, standing in the back of Our Lady Queen of Heaven with the Young Ladies Group and wishing I was old enough to participate. I had no idea she was so near all these years that I lived in Royal Oak. I regret not having a grownup relationship with her. Requierat in Pace, Connie.

“ I have many fond memories of your dear mom, Kath. Most of them include her laughing and holding hands with your dad- they were such a beautiful, loving couple together. Your mom was so proud of you and your brothers and delighted to be a grandma. You were always there for her and these past few weeks when she needed you most she could not have asked for a better nurse -or daughter- to be right there by her side. Sending love and prayers to you all as you grieve her loss, but pray you find some comfort in knowing she is with your dad once again. Love you all- Kris and family.
