“ I met Cindy at the Pony Keg when I worked there! That was about 19 years ago. We tried to make a long island ice tea! We couldn't figure it out! We caught a pretty good buzz and laughed our asses off! We remained friends at a distance since. I will miss seeing you on my posts and talking every now and then. Rest in Heavenly Peace my Friend! You will be missed! My prayers are with you all!

“ I've known Cindy since I was very young through my cousin Donna. Cindy is the kindest soul and her deep love for others and her furry friends speak volumes about the beautiful person she has always been. I will miss her unconditional love for all. My loving thoughts are with all of you, Patty

“ I remember being a little girl and Cindy and the rest of the family would all be at Uncle Ralph’s and Aunt Sharon’s house every summer. I have great memories of her thought out the years. She was just always there. I always thought the world of her. I always enjoyed our conversations on fb chat. She had the biggest heart. I will miss her! 💔 I am sure she is up there with her dad and everyone else in our family and her family enjoying it!

“ Cindy was a second mom to me. She was nice enough to give me my first car when I was 16. She was a beautiful, unique soul and will never be forgotten.
