“ Dan and I worked together at Peerless for ten years until my retirement. We had many customer golf outings together. One time ,at Sleepy Hollow golf course, I ran Dan over with the golf cart! We got him back up and continued playing. I also participated in those poker games in his basement. We always had good food and a couple of "pops" with my fellow Peerless people ' Dan was a wonderful man and I wished I had found Peerless and all its people twenty years earlier. .RIP my friend' Jim Arndt

“ Dan will be greatly missed by the entire crew at Lane Tool. Great man and friend. I knew him for 25 years. Loved his stories of his football days. The stories of how he landed some of his biggest accounts will stay with me forever.
