February 10, 1953 - September 23, 2023

Daniel Binienda was born on February 10, 1953. He passed on September 23, 2023 at the age of 70. He was the cherished father of Sarah Ann (Aaron) Binienda. Beloved son of Irene and the late Chester Binienda. Adored grandfather of Lola and soon to be baby Depoorter. Loving brother of the late Deborah. Uncle to Stephanie and Genny. Daniel had a passion for music. Listening to rock and roll, learning every word to his daughters favorite songs when she was growing up, and playing his guitar. He loved animals and bonded with each one he came across. He loved sports and telling stories of playing football in his glory days. He like to fish and bowl. He was always up for a fun time and lived each day to the fullest. Even in pain he loved to play with his granddaughter Lola. He will be deeply missed by his family and remembered with pure love every day. Please share memories with the family at their "On-Line Guestbook" @ WujekCalcaterra.com

“ Dan was my brother-in-law and father to my niece, Sarah. Though I have not seen him in many years I know that he was well loved by Sarah and her sweet daughter, Lola. Rest well Dan.

“ Daniel and I met, fell in love and married many years ago. We were blessed with our precious, beautiful “miracle” baby Sarah Ann. We parted ways when Sarah was quite young, but we have always been grateful for the gift of our daughter. Dan loved and cherished Sarah and then felt the same towards Sarah’s daughter Lola. May Dan be reunited with his beloved Father Chester and precious sister Debbie in heaven. He will always be Sarah’s loving Father and now will be her guardian Angel as well.
