“ *A fine, solid, highly principled man. We worked together for 20 years and Dan was a officer you could always count on. We golfed together many times and I saw Dan get a hole in one, since that occurred I always called him "Hole in one Herrick" My sincere condolences to his family. Dennis Green*

“ *I am so, so sorry to learn of Dan's passing. Mike and I reminisced on many things, but laughed about Danny's driving abilities with a rental vehicle when we were in Hilton Head together. Praying for your whole family.

Dan was one of my Field Training Officers in 1988. He was a great man, a great police officer and trainer and the world is a worse place without him. Thoughts and prayers for his family.

My condolences to his family. I worked with Dan in Farmington hills and can truly say he was a class act. He was a mentor to many and friend to all. You could always count on him to have your back on any run or just to sit car to car and have coffee with him to talk about life. Rest in peace brother.

“ To the Herrick and Carley families,

I am so sorry to hear of Dan's passing. I remember him from when I was a teenager at Bethesda and I think he was surprised that I remembered him after being gone for a number of years.

He always had a smile on his face even though he was having issues and was a very good friend. Your family is in my prayers.

“ *Danny boy was like an older brother to me growing up. He loved to antagonize Robin and I when we were playing. I recall watching Batman and Robin with him. I always enjoyed him whenever he came up for hunting season and we got to visit! He was easy going like his father and definitely enjoyed a good practical joke! He loved his family so much and our Heavenly Father welcomed him with loving arms! There is definitely a heaven rally going on up there but cousin you will be so missed down here until we meet again in glory!*

“ Dear Herrick Family, My heartfelt condolences to you at the passing of your loving son, husband, father, and papa. I am so sorry for your loss. I have many good childhood memories of Dan when his family lived close by to our family in Detroit. Playing in the backyard pool, watching him play baseball, and visiting Santa together are a few of those memories. As a child, he shared the good news of Jesus Christ with me. He was a witness to the Gospel at a very young age. I am grateful for these memories and the life of this faithful man of God. May our Lord be your strength and comfort. You remain in my prayers. Sincerely, Janice Finn

“ I want to send our love to Mariland and family , Robin and Todd as well as uncle Dan. Even if Danny was 10 years older than me he still was my big coz. I remember your marriage and how beautiful it was. As a child it was a prince's fantasy to me. I miss the memories with Grandma Helen . I still smell her fire place ..He was blessed to have a Dad in uncle Dan as well as winning over my dad Gerald. That says a lot. May he be in peace with out pain and keep looking down on the ones he loves. I know Grandma melvin still looks after me..love you all. Blessing to all .
